# Seniors Win Spirit Week!!

Spirit Week was drastically changed for the 1984-85 school year. In an attempt to reduce traditional Spirit Week vandalism, the Administration decided to reduce the "week" to only three days, this decision was extremely unpopular with the majority of the students, especially the Seniors who felt, "cheated and deprived . . ." as one student put it. Another change occurred when the powers that be decided to bring the floats to Paly to be completed on Thursday, thus eliminating the traditional element of surprise at halftime of the Homecoming game played on Friday. Most students felt that such drastic measures need not have been taken, but the Administration believed that things had gotten out of hand last year. Despite their lack of popularity, the changes did help to reduce vandalism during the three days.

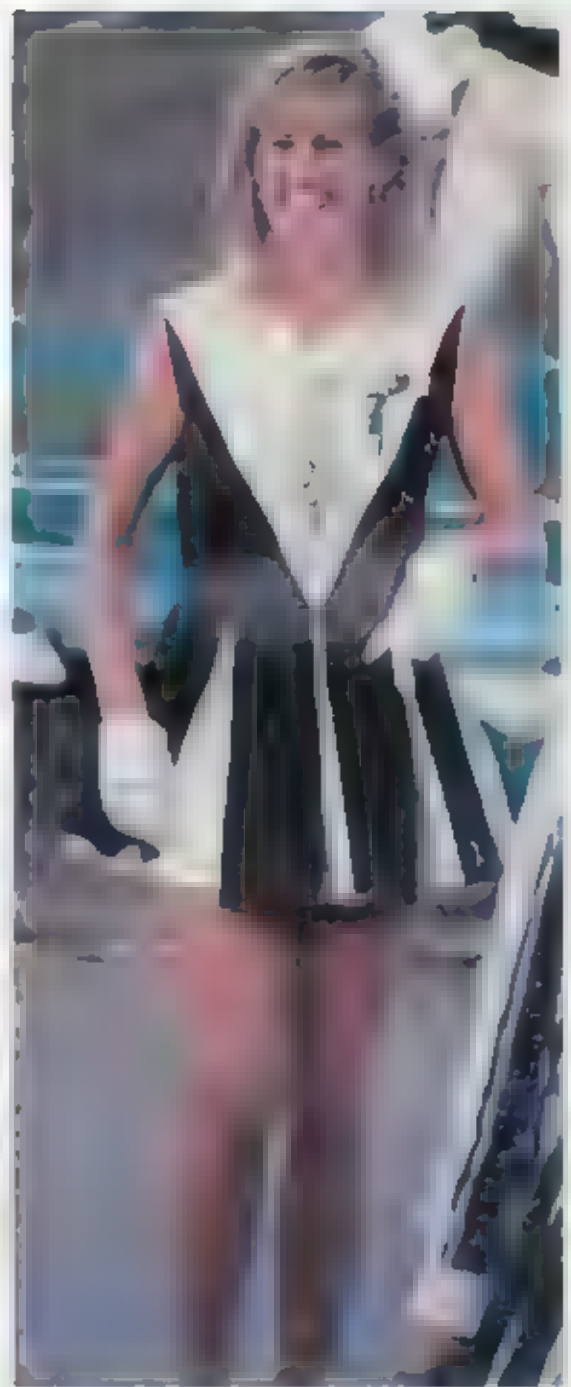

Another significant event marking Spirit Week was the performance of the Sophomore class who, at the beginning of the competition on Wednesday held a commanding lead. However, during the rally on Wednesday, the Seniors narrowed the margin to a few points. And, after an impressive performance by Chris Fry in the baby bottle contest and the superiority of the costumes worn by the Senior class on Thursday, the Seniors were again in first place. Continuing their romp of the Sophomores, the class of '85 proceeded to sweep the competitions on Friday by winning the spoon relay, dress relay, ice cream feed, tug-of-war, and the yell contest. The clinching moment came when the floats emerged for their showing. The Senior float was obviously far above that of the class of '87 in design, craftsmanship, and originality. The clear winner, Gumby was awarded many more points than any of the other floats and helped to swing the Senior class to a well-deserved victory. The Freshmen finished a hard-earned second; the Juniors were an average third; and the Sophomores finished with only the Revenge of the Class of '85.

The first of these is the fact that the  
 data are not normally distributed. The  
 normal distribution is a good approximation  
 for many data sets, but it is not a good  
 approximation for data sets that are skewed  
 or have a heavy tail. In this case, the data  
 are skewed to the right, with a heavy tail.  
 This means that there are a few data points  
 that are much larger than the rest of the  
 data. This is a common problem in data  
 analysis, and it can be solved by using a  
 transformation that makes the data more  
 normally distributed. One such transformation  
 is the logarithmic transformation, which  
 takes the logarithm of each data point.  
 This transformation is useful for data sets  
 that are skewed to the right, as it makes  
 the data more symmetric and reduces the  
 impact of the heavy tail. In this case, the  
 logarithmic transformation is used to make  
 the data more normally distributed, so that  
 the normal distribution can be used as a  
 good approximation.

The spirit squad at Palms is divided into two groups, the cheerleader and the song and dance group, each with separate groups for varsity and junior varsity. The Little Vikes help run the rallies, lead class cheers and generally promote school spirit. The song groups perform at rallies and other school functions whereas the cheerleaders lead cheers at rallies and sporting events. Rally is a class that meets during seventh period either outside or in the dance studio. During the class, synchronized routines are practiced and new ones are learned. To be a cheerleader at Palms requires dedication, patience and energy.

# SRVP

The Society to Reunite the Village People (SRVP) a non-profit organization, was established in September 1984 in order to

- a) Get the Village People to reunite for a 1985 world tour,
- and b) Promote traditional values of hard work and discipline through manual labor and thereby help young men to lead happy and healthy lives

Our organization is over 150 members strong admitting both men and women, boys and girls. In the coming months SRVP will offer a scholarship by raffle, garbage can flipping contests and slam dancing on Brewer Field--activities essential to the well being of all young people

# Thespians

The Thespians work in coordination with the Stage Tech Class to produce the Paly drama performances. Members of the Thespians are David Dernier, Todd Downing, Konrad Aderer, Peter Welch, Amy Bradley, Kirstin Beach, Steve Obranovich, Leah Ball, Debbie Bass, Katherine Govea, Brian Carter, John Greene, Sara Mack, Abi Rice, Allison Shore, Jeanie Marschall, Erika Tingey, Stacey Wells, Flavia Araujo, Christine Shen, Lotti Pharriss, Kimberly Krechmer, Karen Tingey, Peter Bryce, John-Marshall Klein, Alison Guedes, Cary Seigel, Katie Tullis, Carey McIntosh, Barby Romney, Sherrin Hamilton, Matt Berson, Kristy Larson, Ray Wheeler, Lori Halloran, George Nicol, Peter Vroom, Ziddi Msangi, Siwa Msangi, Samantha Grismore, Sylvia Martin, Guy Whitman, Alice Long, Marte Matthews, Jennifer Nuke, Rachel Zare, Rebecca Nasmusser, Sharon Bernstein, Nancy Lawson, Ben Steinberg, Mark Hughes, Amy Prosser, Paul Colley, Missy Fisk, Carole Honeychurch, Rain Bow, Erika Conklin, Jon Burnett, Anthony Henin, and Lee Salsburg (President)

# Dance Club

# Art Club

The Art Club holds to art sales per year to raise money to paint murals, go on field trips, and give art awards. Members are: Ben Fisher (president), Dave McLaughlin, Theta Alpha, Yves Boussounouse, Mim Ocken, Eric Hellman, Mike "Gopher" Scherer, Tim Moser, Lara Zuckerman, David Swope, Monica Wolpman, Chris Davis, and Kevin Duisenberg.

# Japanese Club

The Japanese Club (Above) promotes Japanese cultural activities through guest speakers, movies, special theme parties, etc. This exposes Japanese students to the students who are interested.

The German Club (Right) gives students a forum in which to share their common interests in the German Culture. Through various presentations during meetings and German holiday party fests, such as the Oktoberfest, St. Nicklaus fest, and the Faschings-ball, the club shows how fun a foreign language can be.

# German Club

# French Club

The purpose of the French Club is to further the learning of the language and the culture through unique activities difficult to implement in the classroom. Members of the French Club are: Erika Seid (president), Kim Irvin, Donna Music, Debbie Sharp, Tracey Bare, Jenny Bass, Laura Gregory Elizabeth LeVieux, Joan Young and Renee Polizoto. The faculty Sponsors are: Fernande Inan, Leonard McCord, and Jeff Leznott

# Block P

Block P is an honorary fraternity that serves to encourage good sportsmanship and conduct, and instill in it's members a realization of civic responsibilities. Block P sponsors the Homecoming Dance yearly, and assists coaches in carrying out the athletic program by way of supervision, concessions, and dance organization. Officers of Block P are President Mike Shwerin, Senior Vice-President Jett Denson, Junior Vice President Geoffrey Baum, Treasurer Erika Taddey, and Secretary Patti Synder. Rep. to Student Council: David Pier.

Never put off until tomorrow what can be postponed indefinitely. We believe that the motto and the club picture say it all. We tried for weeks to photograph the members, but no one showed up when they were scheduled, and they always said that the meeting day was "tomorrow". To the best of our knowledge, the members are: Jed Hartman: President, Bruce Chadwick, Vice-President, Paul Martin, Treasurer, Steven Inness, Chris Tucker, Gordon Paige, Dan Popovich, Andrea Edelman, David Hsieh, Lisa Karst, Chris Barbee, Paul Watson, Kimberly Irvin, El Dekoven, Curt Custard, Eric Stephan, Colin Fisk, Clive Henrick, Tim Fong, Dan Bernstein, Andrew Owen, Nathan Enocebrad, Jonathan Wald, Daryl Silberman, Bill Eid, Hai Chang, Mike Hansen, Charlie Cassel, Eric Smith, Stig Smith, David Dernier, Lauren Bertsch, Brandon Smith, Ting Wong, Jonathan Stribel, and many others.

# Science

Paly has two years of required science. For those students who wish to advance in the scientific arts, Paly offers such courses as physics, chemistry and geology. Additionally, the A.P. (advanced placement) at Paly is much more diverse than average high schools. The A.P. program offers students a chance to earn college credits for courses taken here. Over all the Paly science department remains above average in excellence despite forced cutbacks.

# PE

The Physical Education department at Paly offers a wide spectrum of activities. Even though budget cuts have forced the P.E. department to reduce the number of classes offered, the selection still remains more diversified than at most other high schools. Some of the activities include gymnastics, soccer, basketball, golf, and field hockey.

The contract P.E. program also adds to the range of classes offered by allowing the student to present his or her contract for an individual or team sport to Judith Stark. The student must have a minimum of nine hours per week, and an instructional supervisor. This year the P.E. department conducted intramurals, which, during lunchtime and after school, pitted students against the faculty of Paly. The games were designed to improve student to faculty relations.

# Special Friendship Club

The Peer Counseling Special Friendship Club brings together the students in the Learning Handicapped Special Day Class with 40 main-stream students to provide an important opportunity for learning an friendship between the groups on campus. The main-stream students work as tutors or are paired with a special friend in the class. The friends meet for lunch and other social activities. These activities range from pizza parties to picnics and skiing. The club is sponsored by Jim Toole and Special Education teacher Gerry Larvey.

*The Contract Learning Program  
(District Alternative Program  
1971-85)*

The Contract Learning Program is a district elective program in English, Social Studies and P.E. which serves about sixty students, most of whom are juniors and Seniors. Working one to one with students, the program's staff - Kurt Johnson and Hedi Schiessler - help students to successfully complete learning contracts which cover the established course curriculum, improve basic skills and explore areas of individual interest. Located upstairs in the Tower Building, the program also encourages students to develop important skills of self discipline and time management in cooperative and supportive atmosphere. First started with student initiative fourteen years ago, the program continues to be a place where students can experience responsibility and enthusiasm for learning and personal growth.

# Student Government

The purpose of Student Government is to communicate to our administrators, so that we, as a group, can accomplish projects that center around the Paly campus. The club meets once a week to discuss issues brought up by students and faculty. Student Government not only discusses issues, but is the sponsor of many school activities. Bill Reller was the president of the student body for both semesters. His cabinet members consisted of Liz Smith as secretary and Marland Chancellor as vice president. The class presidents were Steve Apfelberg and Siwa Msangi for the freshman class, Cathy Yep and Gene Buttrill for the sophomore class, Libby McCaul and David Van for the junior class, and Reed Maltzman and Wendy Ewing for the senior class. The cabinet also includes the presidents of the social committee, the budget committee, and the student relations committee.

# Academic Decathlon

This year the Paly High School Academic Decathlon team consisted of Tim Armstrong, Dan Berrington, Alexander Cuccia, David Kristoff, Jacobson, Jonathan Levy, Dong Lu, Josh Bob McCarty, Aaron Nork, I Dook Wang, Bruce Chaitow, Joe Fong, Christy Herrmann, David Keaton, Jan MacIver, Volker, An, Tim Nguyen, Michael Young, and Nicholas DePaz. Last year, seven of these eleven students may have competed at the state level. This year, Paly came in second after Gunn High School with 43,557 points, and Paly earning 45,155 points. Paly received four gold, four silver, and six bronze medals for their hard work. The team all studied together and the choices for the team were made from those thought to be most ready in November. Special thanks to coaches John Thompson and Shalah Wolfohn.

The 1984-85 Frosh/Soph Paly basketball team finished with an impressive season. The cagers clinched first place in the SCVAL league after beating Gunn. Their success was largely due to new comers Danny Flores, Andre Watkins, and Anthony Watkins, and the experience of the returning players; Corey Brand, Mike Novotny, Derek Uyeda, and Chris Zaharias. This team has continued the tradition of the Paly Frosh/Soph dominance in the SCVAL league.

# Varsity Football

The Varsity football team had a disappointing season this year finishing 1-5 in the league and 1-9 overall. The Vikings faced a very tough schedule with opponents like Wilcox, and number one ranked Los Gatos. The Vikings lost several close games against teams such as Milpitas, Westmont, and Sequoia. The Vikings are in a rebuilding stage, as first year coach Scott Laurence took over the team after an 0-9 season last year. The Vikes main problem was injuries and lack of depth in critical positions

### Edged Out!

Paly's J/V improved enormously over last seasons record of 2-4. Under a new coaching staff, the "junior vikes" rallied to a 4-1 league record. Paly was barely edged out by a tough Santa Clara team, for first place in the league.

# Girls Varsity Soccer

# Girls JV Soccer

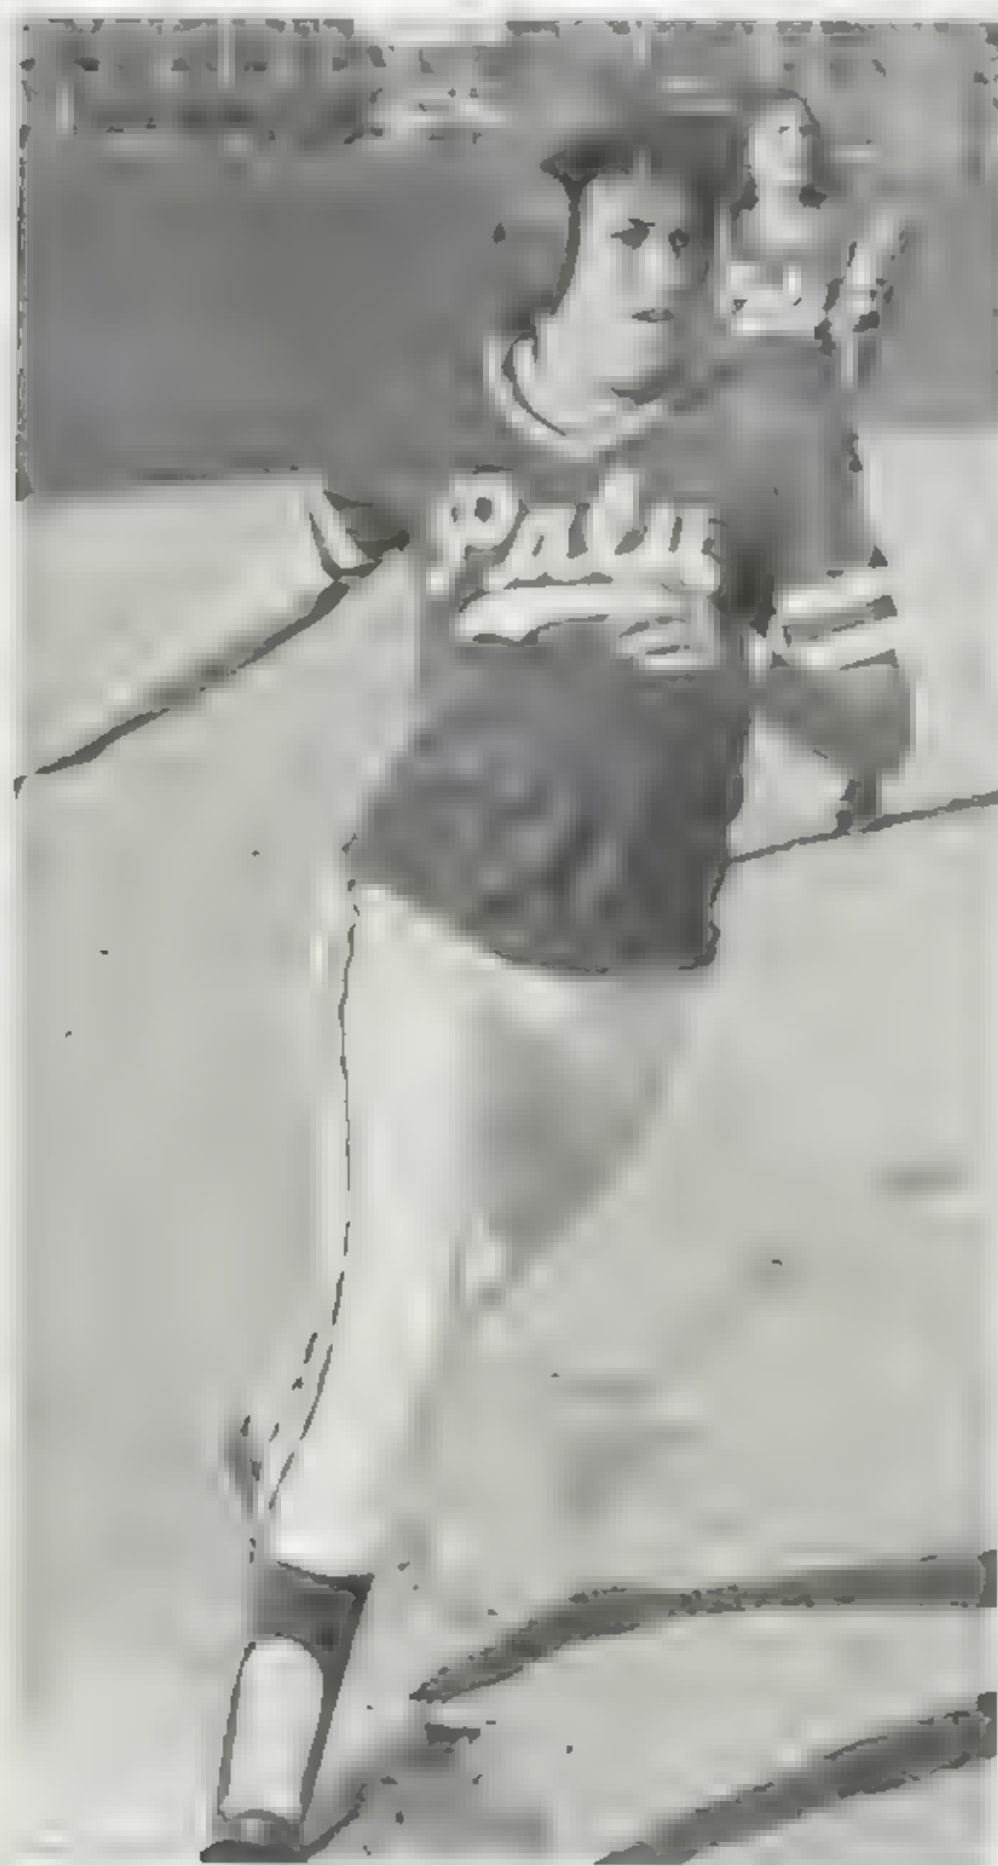

The Palo Alto High School girl's JV soccer team enjoyed a successful season as SCVAL champions. With the exception of a 2-2 tie to crosstown rival Gunn High School, the team remained undefeated. Led by standouts, or pback half Janina Duraj, center half Marla Aufmuth, center forward Monica Murane, and goalie Jeanine Mastre, Palo Alto easily rolled over its opponents. Continuing the strong play begun last year by the freshman the team grew and improved together as a group. With a strong base of such freshman as Elizabeth Edelstein and Susan Nelson next year's team should follow in the tradition of Paly's dominance.

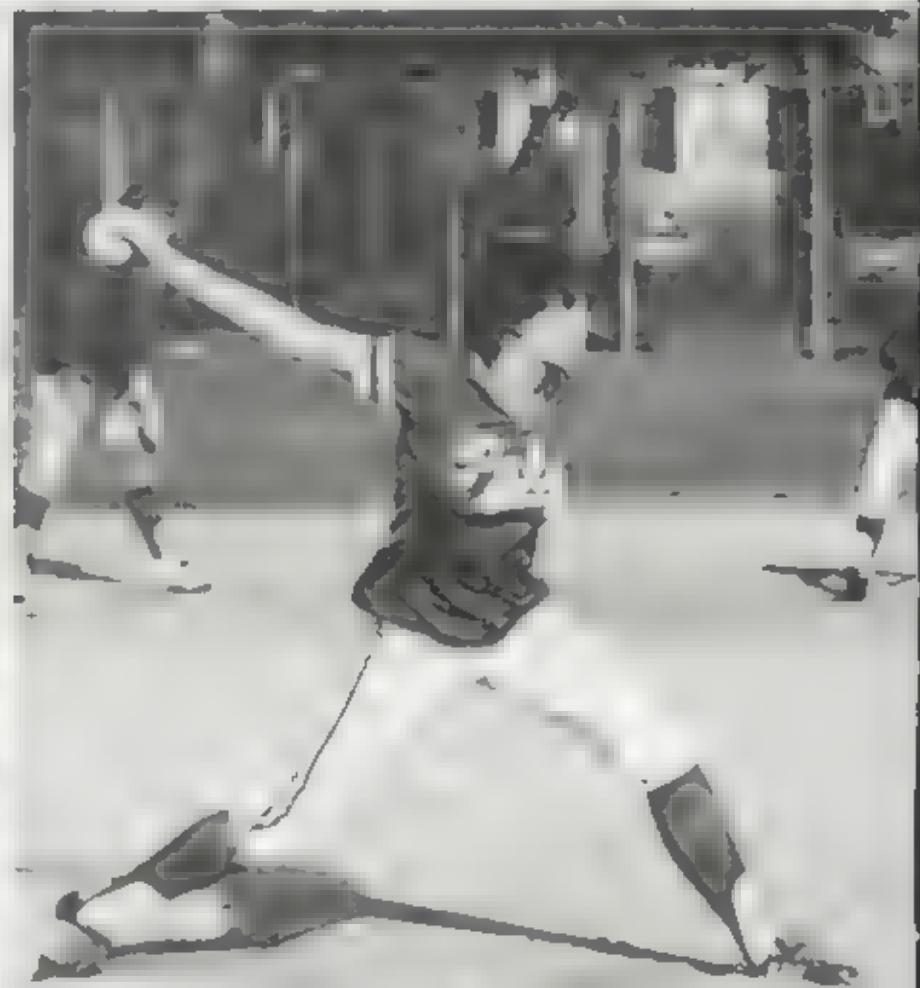

Players: Elizabeth Edelstein, Marla Aufmuth, Janina Duraj, Elizabeth Edelstein, Huan French, Kara Kerkela, Kim Kertz, Jeanine Mastre, Lynne Mastre, Monica Murane, Benita Nali, Carrie Netrie, Susan Nelson, Tyra Norbeck, Nicole Plorkin, Carlin Pulesbank, Karen Rabin, Julie Roche, Alicia Wilson, Crista Wilson, Lisa Young, Vicki Young.

# Girl's Tennis

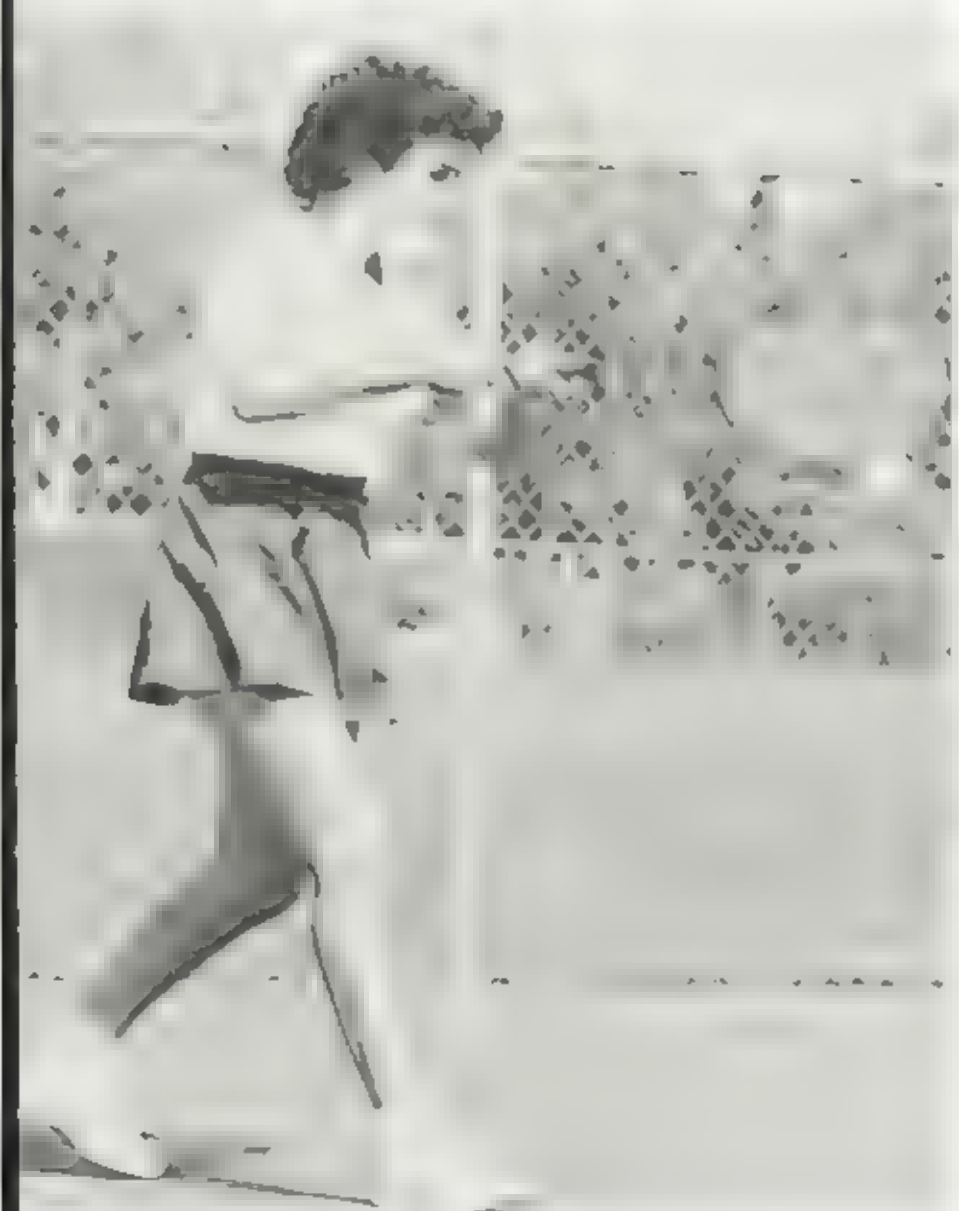

The girls tennis team Varsity Elizabeth Friedman, Meg Heubach, Karen Johansen, Debbie Leland, Katie McBride, Paige Meredith, Portia Monberg, Mary Karen Olson, Victoria White, Nicole Winchester Junior varsity Elizabeth Baldwin, Sally Barry, Milee Chou, Catherine Cohen, Jenny Crawford, Chrissy Davis, Frika Deutschlander, Lise Dudley, Hilary Foss, Lisa Lougee, Libby McCaul, Marion McKee, Didi Meltzer, Benita Nall, Kara Nyser, Heather Ross, Dana Weinstein, Jenny Yuen

This year's girl's tennis team surprisingly garnered an impressive third place finish in the S.C.V.A.L., losing only two matches. Despite losing four strong varsity players from last year, the young girls impressed other teams with their great talent. Paly's doubles were especially strong, usually capturing three wins to help secure the match for the Vikings. The top singles players, Debbie Leland, Portia Monberg, and Mary Karen Olson played well against difficult opponents. Coach Vivien Moyer has high hopes and expectation for the 1985 season.

This years Varsity Volleyball team was unsuccessful. The team effort was there, but the team definately regressed since last year. There record shows this: (overall) wins 3 and losses 9. In league paly's record was 1 win and 5 loses. Being in a competitive league attributed to paly's dissappointing season. Paly's personal best fell far short of their preseason expectations. The captains Jennifer Ekstrand, and Robin Young, lead the team with consistant support. Coach Judith Stark Modlin expected this season to be a rebuilding year, and it was

# Water Polo

Having won their league, this was the first time since 1968 that Palo Alto's Water Polo team has done so well. The team coached by Harlan Harkness, worked to reach their preseason goal of winning the league. Their CCS goal however was not met, as the team reached only the second round of the tournament. The team had individual strength, such as SCVAL MVP Jay Backstrand. Other strong players include the slv Chris Parr and the dexterous Henry Halliday. All league awards go to Halliday, Parr, Mike Novotny, and the leagues MVP Jay Backstrand. Honorable mention went to Junior Ian Bricken

An artist need not  
create to be  
he must feel, believe, &  
know  
He may create to express,  
but true artfulness is  
within & without  
Save a dulled person as  
so many.  
Artless, unthinking, but  
usually happy.  
Do not cast aside feelings  
in order as  
that sharpen the sense  
& make one understand,  
sweep struggling, feel the  
pain, and forget for a while  
material conquests  
Sometime you must live  
within & without.  
John Hammett

This space is too small to even try to write down all the memories, but just because I didn't write them down doesn't mean I'll ever forget them AND DON'T YOU FORGET THEM EITHER!

You're only young once, but if you plan it right, once is enough!

Thank to family & friends for making Poly so much fun, I love you all!

Conrad Heubach

I love you all. Have a great senior year, I'll miss you!

Love all of life, it is the stuff from which dreams are made. Thanks to

Aunt, Uncle, Family, and friends, I-Hong, Sue, Kathy, Rachel, Lauren, Ann-Thu, Jamie, Hayt, Camilla for a great four years. Special thanks to Paul for the summer and the future. I'm looking forward to all that will come. Laura

Thank you, Patsy and all the people who made the last four years possible. This ain't the end because here comes college. I will always remember Maui '84, Skiing, regatta, and golf. Love and like you - Mom, Dad, Chris, C.C., J.K., J.H., T.B., P.S. and even all my teachers.

I'm fine, thank you

Four years may seem like a small piece of life but they've been great years I always to be remembered.

Thanks to E.K.S.G., J.L. and many others for making the good and bad times always better. The parties, concerts, other things were great, but I couldn't get a leather tuff. Special thanks to my family Mom, Dad, Kevin, Brian for keeping faith in me all along.

The first part of the paper is devoted to the study of the
 asymptotic behavior of the solutions of the system (1) as
  $t \rightarrow \infty$ . It is shown that the solutions of the system (1)
 tend to zero as  $t \rightarrow \infty$  if and only if the matrix
  $A$  is stable.

As most of you know, I moved here just this year. I've spent a lot of hard times here thinking about all my friends back home in Melean, Virginia. And I now realize how much those friends mean to me. I've also discovered that there are friends out here that can help make up for that lost period. Thank you all very much and I'll never forget this time in my life and the new people and way of life I've undertaken.

A black and white portrait of a man with short, dark hair, wearing a dark suit jacket, a white shirt, and a dark tie. He is looking directly at the camera with a neutral expression. The background is a plain, light color.

Here's the  
first thing  
you should  
look for...  
when you  
look into  
orthodontics.

...and why.

These three circles, two  
irregular, one perfect, form  
the symbol of the American  
Association of Orthodontists.  
What they're saying and  
what they stand for is highly  
relevant to what you should  
expect in regard to treatment  
and who you should look  
toward to do it.

Look for the picture  
of health.

Certainly, orthodontics  
should give you a picture  
snare and, just as important,  
make you the picture of oral  
health.

That's why the symbol  
moves from irregular forms to  
a perfectly balanced circle.  
Balance between teeth and  
jaws is what the skills of the  
orthodontist achieve. This  
facial harmony — more than  
just moving crooked teeth —  
helps see to it that your bite  
once improved, stays healthy.

Look for the picture  
of skill.

Wherever you may see it,  
as you seek treatment, the  
symbol of the American  
Association of Orthodontists  
assures you that you're  
seeing a specialist. He or she  
will have had at least two  
additional continuous years  
of advanced study in ortho-  
dontics after receiving a  
dental degree. And that study  
was conducted in a program  
accredited by the American  
Dental Association.

Because there are more  
than 7,500 practicing ortho-  
dontists in the Association,

you should find us well  
represented in your area.

**Start your look now.**

We'd like to give you more  
information on orthodontics  
in general and on what you  
should expect from treat-  
ment. Just mail the coupon.  
We'll send you information to  
help you understand even  
better why you should look  
for our symbol when you look  
into orthodontics.

NOT JUST TEETH.**

# We know where real estate is going, because we know where it's been.

Cornish & Carey has played an integral role in the growth of the San Francisco Peninsula for some 50 years. Now, we're the largest real estate company here.

Our Commercial Division handles sales and leasing of commercial and investment property in the fastest-growing areas of the country, Silicon Valley and the Bay area.

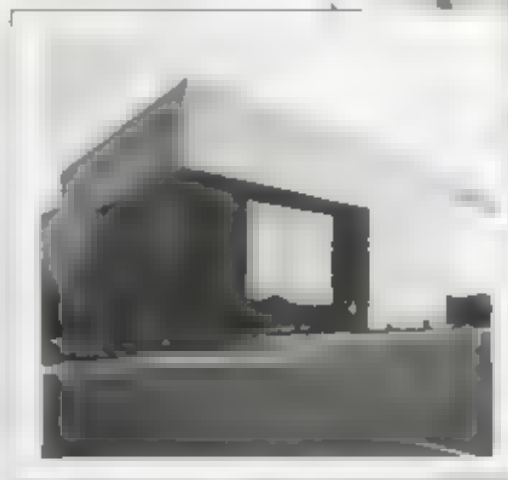

Cornish & Carey's Residential Division has been growing, and we've even added a special division to take care of Relocation Services for our corporate clients moving into or out of the Bay area.

Cornish & Carey Mortgage was established in 1983 as a separate division of the Company. Since then, we've also set up separate divisions for Property Management and Investments. Our new Land Division helps high tech companies and developers find sites for expansion outside the Bay area.

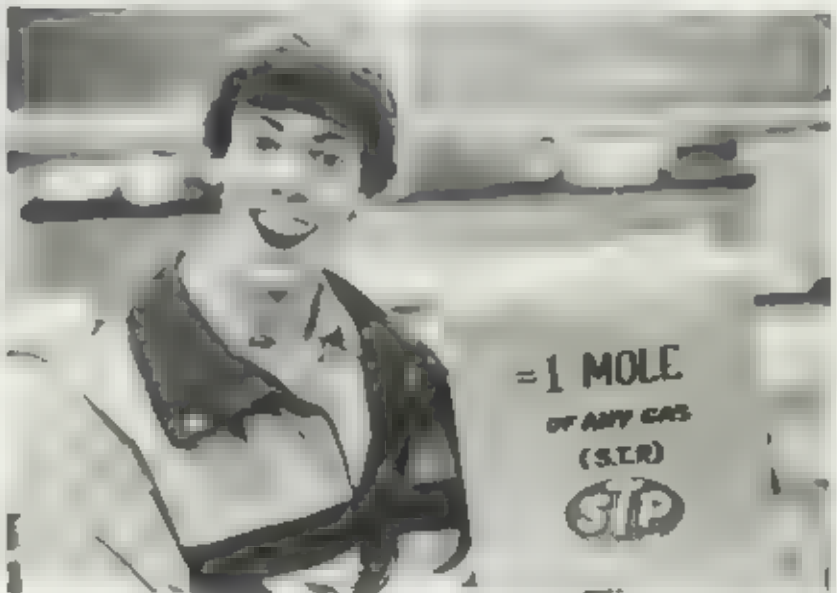

After all these years, Cornish & Carey is moving into exciting new areas of real estate growth. Because to know where real estate is going, you have to know where it's been.

AL

Alan,

Had your Year  
mister party. That  
low class was mellow  
to eat in. Have a  
killer summer. I know  
you'll do some serious  
partying

Alan

What's sup? 2nd per  
prep was cool, just  
enough time in between  
classes to take a nap,  
or to have an earth-  
quake drill & have the  
librarian make every-  
one take it seriously  
& duck under the studying  
kernals. we haven't done  
much this year but hope

fully I'll see you  
this summer & we  
can do  
something. Just come  
down Dana Street  
& I'll probably be out  
in front. Ingrid

!! Baby,

What Happened Al. This year was killer.  
You're going to be a big Junior next year  
and you might do some breaking in football.  
I'm sure we'll party a lot this summer.  
We'll be at the beach a lot. I'll teach  
you how to  
Well don't

Allen,

What's up Biology was  
so hilarious. I don't  
think you ever came  
not fucked up well  
that's life, huh. I know  
I don't have to tell  
you, that we'll probably  
be seeing each other  
over the summer.  
Summer School +  
parties. Don't forget  
to call me lots (321-4356)  
We can go to the BEACH!!  
That could be happening you two!  
H!! Life Life PARTY-

Allen  
Biology? That was  
one scary thought  
Did you ever go in that  
class straight? I  
think not. That's  
cool you probably  
did better than  
I did 😊 Next year  
I'm psyched to deal  
with doing stuff next  
year. Give me a call  
this summer 326-9321
